

To serve - Knowledge Power ~ Power Knowledge.

P I N N A C L E ENGINEERING SOLUTIONS (India) Pvt. Ltd. is basically result oriented Engineering Company engaged in Industrial HT and EHV project engineering turnkey solutions.

The Company is founded in the beginning of second decade of 2000; by Mr. Praphullachandra Ohol, who has 20 years of experience in power sector while working with Maharashtra State Electricity Distribution Co. Ltd. (**MSEDCL - Erstwhile MSEB**), Dowding & Reynard Associates (DRA)- South Africa, Godrej and as an entrepreneur with Pinnacle. The main focus of its operation is providing end-to-end power solutions wherein Comprehensive services are being provided. Our aim is to serve client with all the best in industry, engineering solutions required to achieve their goals by delivering prompt services with utmost professional approach. We are the first and only company in the industry to provide complete Consultancy to Commissioning (& Annual Maintenance Contracts also) services under one roof.

The company was initially offering consultancy services in power sector (specifically Open Access Power Trading) and later on grew to offer Trading of Energy Meters & Accessories, Solar Panels, Inverters etc.

P I N N A C L E is a CRISIL rated company and have achieved many professional excellences through repeat orders from the major business conglomerates viz. Tata Communications, Sterlite, CEAT, Goodyear etc.

We have an excellent team of power sector professionals having outstanding career in Generation, Transmission and Distribution and experience ranging from 5 years to 20 years.

Owing to our high-quality standards and timely completion of jobs we could earn a respectable position among our clients for their requirements where in engineering solutions were of prime importance. Power Infrastructure, Open Access Power Trading & Renewable Energy Projects are prime focused business where our services are taken in high regard.

We have a strong team of Service Engineers professionals to support our Projects & After Sales Service; capable of offering on-site services to our customers for maximum client convenience.

We have served esteemed clients from various sectors viz. Pharmaceuticals, Automobile, Auto- Ancillaries, General Engineering, Textile, Telecom, Dairy, Cement, Realty etc.
